Core Ingredients for Healthy Looking Skin

- **Sustainably Harvested Algae Extract** – Moisturises to support collagen, diminishing the look of fine lines and wrinkles
- **Stabilised Vitamin C** – Helps support collagen through moisturisation to help improve the overall look of skin's texture and to help firm, reinforce and strengthen skin's appearance
- **Japanese Pagoda Tree Flower Extract** – Improves skin's moisture barrier to help skin look fresh and healthy
- **Malachite Extract** – Supports moisturising benefits to help protect against environmental dryness
- **Hematite Extract** – Conditions skin to help smooth the appearance of wrinkles

*Clinical study of 26 participants. Results compared to baseline.
