

ARBONNE ESSENTIALS® OMEGA-3 PLUS

For Daily Health

Focus on this: Vegan capsules filled with flaxseed oil and vegetarian DHA derived from algae provide daily omega-3 fatty acids and help support normal brain function and vision. #2066 

FEATURES

- Capsules contain flaxseed oil and algae derived DHA, a vegan form of omega-3 fatty acids, without the fishy aftertaste
- Delivers omega-3 fatty acids, which our body needs for good health, but is not able to produce in significant amounts
- Formulated without gluten

KEY INGREDIENTS & BENEFITS

- Source of omega-3 essential fatty acids for the maintenance of good health
- Source of docosahexaenoic acid (DHA) for the maintenance of good health
- Helps support cognitive health and brain function

HOW TO USE

Take 2 capsules once per day with a meal. Do not exceed the recommended daily intake.

ARBONNE ADVANTAGE

- These products are called Daily Essentials because they are best when used every day, so you can experience the building benefits of proper nutrient, fibre, and protein intake, as you continue on your personal wellness path.
- Daily Essentials products work best when used together to deliver complete nutrition options that can help fill the gaps in your daily diet and provide a health and wellness solution that fits seamlessly into any busy lifestyle.
